

# MURAL ARTIST APPLICATION FORM

The Great Mural Project began meeting in October 2017, setting the goal of an annual mural project in the region. Although we are a young organization, the members have significant experience executing community projects and have many relationships to amazing community partners, which will serve our goals of making Saginaw a more beautiful place. Feel free to check out our past projects on our website or facebook.

The Great Mural Project is seeking artists or artist teams for a series of asphalt murals at three intersections in Old Town Saginaw in late Summer 2020. Prior mural experience is considered but not required. The murals will center around the celebration of diversity of all kinds in our community. For inspiration, artists will gather with a small group of diverse community leaders on September 2nd. Expertise on materials appropriate for asphalt will be provided. Budget will be discussed during video interviews to be scheduled between August 17-24. Our chosen artists must be able to paint their entire mural, with or without paid or volunteer assistance, in a 24 hour mural marathon the weekend of September 26th (rain date October 3rd.) Artist will be asked to sign liability waivers and adhere to safety guidelines.

Please submit completed form and up to 5 portfolio samples (mural examples preferred) to [hello@greatmuralproject.com](mailto:hello@greatmuralproject.com) by August 15, 2020.
