

## City of Saginaw Mural Tour

There is a strong presence of art and culture in the City of Saginaw. Along with numerous murals, we have the Saginaw Art Museum, Saginaw Arts & Science Academy, the Temple Theater, paint your own shops, the Andersen Enrichment Center, multiple private art galleries and many organizations and other supportive establishments. A majority of the murals are located in Downtown and Old Town within walking distance of each other. You can also find a few dotted in neighborhoods such as Houghton Jones, Covenant, Butman Fish and the Cathedral District.
